

ProNature Plant Turpentine

The power of nature!

Product code: PN106

Technical Data Sheet

Product Description:

This is an all-natural thinning agent made from gum turpentine for a natural, safe application. It works to clean all kinds of paintbrushes, rollers, cleaning cloths, equipment and surfaces as well as to thin out oil-based products. Plant Turpentine is almost a must-have when using natural coatings as it is perfect for cleaning scratches etc. on oiled surfaces that need to be spot repaired.

Thinning plant-oil based [ProNature Products](#):

[ProNature Outdoor](#), [ProNature Indoor](#), [ProNature HardWax Oil](#), [ProNature Rock](#), [ProNature Waxes](#).
